Accessibility for Students with Disabilities

The school complies with the Americans with Disabilities Act of 1990 and is wheelchair accessible. If enrolled under training with a government agency, institution district, and/or other entity, students must meet the admission requirements set out in the training agreement and/or applicable state licensing or certifications requirements.

The campus is located in a wheelchair accessible building with large front doors that include automatic entry buttons for the disabled, elevators, wide hallways and doors and restroom accommodation for disabled students.

Please bring copies of current documentation of a disability. Documentation must be provided by a medical expert within the last three years.

In order to be eligible for title IV, HEA funding, you must be able to benefit with reasonable accommodations.
